## CLO's Annual Legal Conference: The Legal 360

### Plenary 1

@ State Room 1

### Dispute Resolution – Recent Developments, Highlights & Key Takeaways

*This panel session will delve into the intricacies of the Malaysian legal landscape, exploring various areas of the law related to disputes resolution. Referring to recent decisions and case studies, this panel will share practical insights into effective practices for businesses to manage litigious disputes.*

### Speakers

- John Mathew – Partner, Head of Dispute Resolution Practice and Co-Head of White Collar Crime & Investigations and Restructuring & Insolvency Practices, CLO
- Shanti Geoffrey – Partner, Co-Head of White Collar Crime & Investigations Practice, CLO
- Rubini Murugesan – Partner, CLO
- Heng Yee Keat – Partner, CLO
- HK Niak – Partner, CLO
- Nereen Kaur Veriah – Partner, CLO
- Sivaram Prasad – Partner, CLO

### Plenary 2

@ State Room 1

### Navigating Sustainability: Trends that Influence Decision-Making, and Implementing Sustainable Operations in Business

*In this panel session, we will delve into the most recent sustainability trends that impact business decision-making and operations. Our experienced panellists will provide insights on how to translate these trends into practical actions; addressing topics such as reporting requirements, government policies and greenwashing. The panellists will also draw helpful connections between sustainability, IT, and competition law during the discussion.*

### Speakers

- Chor Jack – Partner, Head of Sustainability Practice, CLO
- Lee Weilin – Partner, Head of Sustainability Practice, Rajah & Tann Singapore
- Deepak Pillai – Partner, Head of TMT and Data Privacy and Protection Practice, CLO
- Jane Guan – Partner, CLO

### Breakout Session 1: Competition Law

@ State Room 1

### Proposed Amendments to the Competition Act 2010, Emerging Trends, and Merger Control

*This panel will present on the Malaysia Competition Commission's proposed amendments to the Competition Act 2010 (including merger controls) and on enforcement priorities. The panel, with Tuan Iskandar Ismail, Chief Executive Officer of MyCC, the Malaysian competition regulator, will then discuss these proposed amendments, review the forthcoming merger control regime, explore recent trends and updates in Malaysian competition law, and shed light on and on enforcement priorities, potential legal implications and ramifications that businesses may face.*

### Speakers

- Tuan Iskandar Ismail – CEO of Malaysia Competition Commission
- Yon See Ting – Partner, Head of Competition & Antitrust Practice and Co-Head of Capital Markets Practice, CLO
- Jane Guan – Partner, CLO

## Speaker Profiles

Anissa Maria Anis

Anissa is a Partner in Christopher & Lee Ong's Technology, Media & Telecommunications Practice Group, with a focus in the media and entertainment industries. She is recognised for her work in the TMT industry and has been named as a Next Generation Partner for TMT by Asia Pacific Legal 500.

She focuses on end-to-end legal advice for a wide variety of media platforms such as broadcast television, feature films, animation, music, publications, digital media and sports. She advises on a wide range of issues covering content creation, OTT content, acquisition and distribution, licensing, regulatory and governmental projects, investments and financing, defamation, IP protection and exploitation, commercial and business-related matters including media sales, e-commerce, talent and artist management, merchandising, advertising, marketing and sponsorship, master content provision/supply, procurement and satellite services.

Chor Jack

Jack is a Partner and head of the Sustainability Practice Group at Christopher & Lee Ong. He is recognised by IFLR1000 as a Highly Regarded Lawyer for both Project Development and Banking, rated by Legal 500 as a Next Generation Partner for Projects & Energy and is also ranked by Chambers and Partners as Up and Coming for Projects, Infrastructure and Energy. Jack has significant experience advising on the development and financing of infrastructure projects. He has a keen interest in the energy sector and has advised on an extensive range of renewable energy matters.

Jack, who is described as a 'very accommodating energy specialist' (Legal 500 2021), is commended by clients for his 'flexibility, sees the bigger picture' (Legal 500 2021) and 'ability to devise creative solutions to legal issues quickly, and his flexibility and responsiveness' (Chambers Asia Pacific 2021).

Deepak Pillai

Deepak is a Partner and Head of the Technology, Media and Telecommunications, and Data Privacy & Protection Practice Group at Christopher & Lee Ong. He has been consecutively listed by established legal directories as a leading individual in the area of IT and Telecommunications since 2001. Deepak is listed on Asia Business Law Journal's Top 100 Malaysian Lawyers to Watch. He is the only Band 1 Leading Lawyer to be ranked for Technology, Media & Telecoms by Chambers Asia Pacific in Malaysia, and is ranked Tier 1 Leading Individual for TMT by Asia Pacific Legal 500.

He advises a wide array of international, private and public sector clientele in addressing the commercial, regulatory and policy issues relating to information and communications technology law, ranging from negotiating complex information technology contracts to advising public sector agencies on proposed technology related legislation and policies.

Heng Yee Keat

Yee Keat is a Partner in Christopher & Lee Ong's Dispute Resolution Practice Group.

His focus is on general civil litigation, corporate commercial disputes, insolvency and restructuring (including banking litigation), land law (including compulsory land acquisition proceedings and real estate and property disputes), and fraud and asset recovery litigation.

He has a wealth of experience in acting for debtors or financial institution creditors in corporate restructuring exercises as well.

# CHRISTOPHER & LEE ONG

## Speaker Profiles

**HK Niak**

HK Niak is a Partner in Christopher & Lee Ong's Dispute Resolution & Litigation Practice Group. He focuses on a broad spectrum of practice in corporate and commercial litigation. He is experienced in handling complex matters involving oil & gas industry, construction disputes, receiverships and insolvencies, restructuring of debts and schemes of arrangements, banking industry, freight forwarding and shipping disputes, intellectual property disputes and IT related disputes. He regularly acts and renders advice in matters relating to shareholders disputes as well as legal disputes relating to land law and company law.

Niak has also acted in variety of claims including for negligence, defamation, breach of trust and fiduciary duties and breach of statutory duties.

**Inês Reis**

Inês is the partner in charge of the Labour & Employment, Social Security and Employee Benefits department of pbb, of which she is a founding partner, and besides the daily assistance to clients on matters related to Human Resources, is dedicated also to advising national and international clients on defining strategies in sensitive separation cases, company reorganization, collective bargaining and downsizing/restructuring operations and pension-related matters. Inês also provides support to legal due diligence, within corporation restructuring procedures and deals with some judicial disputes on labor and employment, as well as on social security matters.

More recently, Inês has been involved in ESG-related matters and is currently heading the Responsible Business Group within lus Laboris, aimed at developing the practice of the various member firms both internally and as a service for clients.

**Intan Haryati**

Intan is a Partner in Christopher & Lee Ong's Technology, Media and Telecommunications, and Data Privacy & Protection Practice Group. She has been practising exclusively in the areas of Technology & Telecommunications law and Data Protection since 1999.

Intan advises clients on matters relating to IT contracts, electronic commerce, online financial services, outsourcing and digital media as well as personal data protection. She specialises in structuring, drafting and negotiating information technology contracts and electronic as well as mobile commerce services. Intan has acted on numerous public & private sector IT turnkey contracts, large financial sector outsourcing projects, and played a key role in the development of several first of its kind electronic financial services deployed in Malaysia. Other than this, she also advises clients on the registration, protection and commercialisation of their intellectual property both locally as well as outside Malaysia. Intan has been consecutively ranked as a Tier 1 Leading Individual for TMT by Asia Pacific Legal 500.

**Tuan Iskandar Ismail**

Mr. Iskandar is the Chief Executive Officer of the Malaysia Competition Commission. Before his appointment as CEO, he held the position of Director of the Investigation and Enforcement Division for more than 5 years.

When he joined the Commission, he brought along with him vast experience across a broad range of international and domestic domains, including human rights, war crimes, genocide, financial crimes, economic and Law. Prior to MyCC, Mr. Iskandar was an Assistant Trial Attorney with the United Nations for the International Criminal Tribunal for Rwanda in Tanzania for 8 years, prosecuting genocide and serious violations of international human rights laws. In the earlier part of his career, Mr. Iskandar honed his legal and economic skills and developed his international experience at the Central Bank of Malaysia, where he was part of the pioneering prosecuting team for financial crime cases.

Mr. Iskandar received his education both locally and abroad where he read law at the International Islamic University, Malaysia and pursued a masters in International and Comparative Law at the George Washington University Law School.

# CHRISTOPHER & LEE ONG

## Speaker Profiles

Jane Guan

Jane is a Partner with the Competition & Corporate Practice Group of Christopher & Lee Ong. She has a wealth of experience in Competition Law and her expertise covers all aspects of competition laws – cartels, vertical restraints, abusive conduct and merger controls.

She has advised clients who come from diverse sectors and has also advised on competition law aspects of various M&A transactions including acting as competition law co-counsel in an M&A exercise of a listed company by providing advice and assistance on every aspect of Malaysia competition law from advising on the setting up of clean teams, to attending competitor companies' pre-integration meetings. She also regularly conducts competition law trainings and has acted for various companies in their compliance programs.

John Mathew

John is a Partner heads Christopher & Lee Ong's Dispute Resolution & Litigation Practice Group, and has been in legal practice for over 30 years. His practice focuses on general civil litigation, banking litigation and advisory work. John is a panel arbitrator with the Asian International Arbitration Centre (AIAC) and has served several years as a member of then Compensation Committee of Bursa Malaysia. In addition, John has been a Notary Public since 2004.

He is ranked as a Leading Dispute Resolution Lawyer by Asialaw Profiles 2019, and was named among the Commended External Counsel of the Year 2018 in Malaysia by the In-House Community. He is also ranked as Litigation Star by Benchmark Litigation Asia-Pacific 2021 edition. Clients of the Firm notes his "vast knowledge in different areas of law", adding that he is "meticulous in his legal analysis".

John Rolan

John is a partner in Christopher & Lee Ong's Dispute Resolution & Litigation Practice Group. His main area of practice is general litigation with emphasis on commercial, shipping and employment disputes.

John is a skilled employment litigator and has knowledge in navigating the intricate landscape of employment law. He regularly advises companies in various industries on employment matters such as employee termination, constructive dismissals, employee share option schemes and several other aspects of industrial relations, bringing a nuanced understanding of the legal dynamics in the workplace.

Kelvin Kho

Kelvin is a Partner in Christopher & Lee Ong's corporate practice and specialises in Labour Law, Mergers & Acquisitions, Foreign Direct Investments, Regulatory & Compliance, Property Development as well as general Corporate & Commercial Law.

He maintains a significant labour law practice and currently serves as co-head of the firm's labour law practice group. Kelvin provides advice pertaining to all aspects of employment-related laws and regulations. He often conducts compliance trainings for employers and employees.

Kelvin is recognised in Legal 500 Asia Pacific (2020) as a "...key name to note" for labour matters as well as his real estate development practice.

Lee Weilin

Lee Weilin 李玮琳 is a recognised practitioner in Chambers Asia Pacific and is recommended in The Legal 500 Asia Pacific for banking and finance work. She also has a Bachelor of Science in Economics.

Weilin regularly advises banks and financial institutions and multinational corporations in high value transactions, cross-border secured financings based on onshore-offshore financing structures with intercreditor arrangements, acquisition/leveraged financing, borrowing base financings and public takeover financings. Climate change, sustainability, diversity and other ESG issues are also areas which Weilin has a keen interest in.

She has been involved in many green and sustainability linked financings and now heads up Rajah & Tann Singapore's Sustainability Practice.

## Speaker Profiles

**Mitsuru Misawa**

Mitsuru Misawa is a Partner at Atsumi & Sakai, a distinguished independent full-service Tokyo law firm. It stands out as the first major independent Tokyo-based legal firm to include foreign lawyers as full partners, earning numerous awards for its services.

With a comprehensive legal background, Misawa-san has provided counsel to numerous companies across diverse sectors, particularly in renewable energy and environmental initiatives, often involving cross-border considerations.

His expertise extends prominently to labor law, where he actively participates as a panelist in global seminars, addressing the concerns of Japanese companies venturing abroad. Notably, he has contributed his insights at various seminars, including "Issues on Business Activities in Indonesia, with a Focus on Internal Fraud and Labor Concerns," hosted by the Japan Indonesia Association, and "Overview of Legal Challenges Faced by Local Corporations and Expatriates," organized by the Japanese Chamber of Trade & Industry in Malaysia.

Furthermore, Misawa-san contributed to a publication titled "Investigative Research Report: Exploring Ways to Offer Legal Support to Japanese Companies and Citizens in Malaysia," commissioned by the Ministry of Justice. This demonstrates his substantial involvement and dedication to facilitating legal understanding and support for Japanese entities operating beyond their home country's borders.

**Nereen Kaur Veriah**

Nereen Kaur Veriah is an arbitrator who regularly receives appointments, particularly in respect of building and construction disputes.

Nereen is an empaneled arbitrator with several arbitration centres, including the Asian International Arbitration Centre (AIAC), Thailand Arbitration Centre (THAC) and Maldives International Arbitration Centre (MIAC).

Apart from sitting as an arbitrator, Nereen is also a litigation and alternative dispute resolution lawyer who specialises in building and construction disputes and regularly appears at the High Court and appellate Courts in respect of building and construction disputes and proceedings arising from arbitration awards.

**Nicole Chong**

Nicole is a Partner in Christopher & Lee Ong's Intellectual Property practice. Nicole obtained her Bachelor of Laws (LL.B.) degree from the University of Bristol, United Kingdom in 2009. Thereafter, she completed both the Bar Vocational Course and Masters in Professional Legal Practice at BPP Law School, London.

Nicole assists clients from various industries including ecommerce, manufacturing and aviation, among others. She possesses a keen passion for Intellectual Property and works on matters involving trademark, industrial design, copyright and patents. She also assists with the drafting of pleadings as well as attending court proceedings including High Court, Court of Appeal, and Federal Court.

# CHRISTOPHER & LEE ONG

## Speaker Profiles

**Rubini Murugesan**

Rubini is a Partner in the Dispute Resolution practice of the firm, with a focus on construction and employment-related disputes. She continues to represent local and international organisations at all levels of the Malaysian Courts including the Industrial Court, the High Court, the Court of Appeal, and the Federal Court.

Rubini is regularly called upon to represent and advise SMEs and MNCs in matters of unfair/wrongful termination, constructive dismissal, employee poor performances and misconduct, large-scale redundancy exercises, and settlement of disputes between employers & employees. She also advises companies on trade union activities and reviews collective bargaining agreements. She advises clients from the construction industry as well, covering their rights and obligations under their construction contracts, compliance and regulatory issues, issues with tenders, contract termination, construction delays and payments, as well as project management. Empanelled as a mediator with the Malaysian Mediation Centre, Rubini also handles arbitration matters involving construction disputes and is an accredited adjudicator with the Asian International Arbitration Centre since 2018.

**Shanti Geoffrey**

Shanti co-heads Christopher & Lee Ong's White-Collar Crime & Investigations Practice Group. Having served as a capital market regulator for over 25 years in various roles, she is able to provide legal guidance in the areas of regulatory compliance as well as enforcement of the capital market laws and other white-collar offences and breaches.

As a former Deputy Public Prosecutor who headed the Securities Commission's prosecution and civil enforcement functions, she successfully led complex and contentious issues in the Malaysian courts in areas relating to the capital market laws, criminal procedure and constitutional matters.

Her law reform and advisory background place her in a unique position as she has the depth of understanding of the capital market laws required in regulatory compliance.

**Sivaram Prasad**

Sivaram is a Partner in the Dispute Resolution practice at Christopher & Lee Ong.

His practice covers all areas of dispute resolution including contract law, employment law, construction law, corporate law, enforcement of foreign judgments, arbitration, media and maritime law. He regularly appears as lead counsel or co-counsel at all levels of the Malaysian Courts including the Industrial Court, High Court, Court of Appeal and Federal Court.

More recently, Siva has advised clients in high profile disputes, including on an alleged breach of fiduciary duties as well as offences relating to social media postings.

**Sri Sarguna Raj**

Sri heads the Intellectual Property and Sports & Gaming Practices in Christopher & Lee Ong. He focuses on both contentious and non-contentious work IP matters. Sri has been ranked as a Tier 1 Intellectual Property lawyer by Asia Pacific Legal 500 and recognised as an IP Star by Managing Intellectual Property.

He represents clients in relation to disputes relating to patents, copyright, privacy and trade secrets, trademark, passing off, industrial designs, advertising and domain name, among others. Sri advises clients from various sectors in litigation and in managing and implementing anti-piracy and anti-counterfeiting programmes for them. His non-litigation work includes drafting and advising on IP issues in corporate and commercial transactions, particularly in relation to licensing, franchising, regulatory advice, entertainment, sponsorship and merchandising.

# CHRISTOPHER & LEE ONG

## Speaker Profiles

**Steven Cheok**

Steven is a Partner in the Intellectual Property Practice Group in Christopher & Lee Ong.

Steven worked with one of the largest and oldest firm in Malaysia between 2006 and 2012 practicing exclusively in both litigious and non-litigious intellectual property matters where he assisted and represented clients in relation to disputes relating to patents, copyright, privacy and trade secrets, trademark, industrial designs, advertising and domain name, among others. Over the years, he has represented many multi-nationals in litigation and intellectual property enforcement matters. Steven is also very experienced in non-litigious IP work such as advisory work, trademark / patent prosecution and registration work, and has vast experience dealing with the Malaysian Intellectual Property Office, including attending to hearings, opposition proceedings etc. Steven also has vast experience in drafting and reviewing various IP and IT related agreements.

**Yau Yee Ming**

Yee Ming is a Partner in the Corporate Practice Group in Christopher & Lee Ong, and has been in legal practice for over 20 years with deep industry knowledge in strategy, commercial and general management roles within various multinational corporations across multiple industries.

He regularly advises foreign companies on various compliance issues in relation to employment law in Malaysia, including advising an established MNC on their closure of its manufacturing business in Malaysia as part of its strategic plan to relocate manufacturing activities to China. Yee Ming has also advised on the commercial aspects of a client's business closure, the phased termination of its workforce as well as the ensuing communications plan. Yee Ming is regularly engaged to advise C-suites and senior management on various employment issues.

Clients of the firm have lauded Yee Ming as "a good negotiator who provides strong advice" and a very "attentive" lawyer.

**Yon See Ting**

See Ting is the Head of the Competition & Antitrust Practice Group and co-heads the Capital Markets Practice Group. She is ranked in IFLR 1000 as a highly regarded Capital Markets equity lawyer and in Legal 500 and Chambers & Partners for both Corporate/M&A and Competition and Antitrust, named in Euromoney's Women in Business Law Expert Guides 2022 for Corporate/M&A and Who's Who Legal South East Asia 2022 for Competition and listed as a distinguished practitioner in Asialaw for Competition.

Since January 2021, she is a member of Bursa Securities' Market Participants Committee which has oversight over compliance with Rules of Bursa Malaysia Securities and prior to that since 2014, a member of Bursa Securities' Listing Committee, which has oversight over compliance with the Bursa Listing Requirements. She is also a Securities Commission Malaysia appointed Public Interest Director since 2019 in the Federation of Investment Managers Malaysia, a self-regulatory organization (SRO) with purview over the unit trust scheme (UTS) and private retirement scheme (PRS) industry.

With more than 28 years of experience as a corporate lawyer in Malaysia, her competition law experience extends from acting in dawn raids and investigations merger approvals, acting as competition law counsel in M&A transactions, structuring of vertical and horizontal arrangements, review anti-competitive agreements such as distribution or supply agreements, advising on joint ventures covering RPMs, market sharing and exclusivity issues or on rebate structures.
